## 7mm nameplate Price List, Apr 2011

Please note this is a provisional price list. Further additions will be made as time permits. Please ask for availability of worksplates, LMS & BR(M) smoke box numbers, pre-group (including LNW) & industrial name- and numberplates. Mainline diesel & electric nameplates, depot diamonds etc will be included in future lists. Many are already in stock and sorted but not yet added to this list, so please enquire.

Brass nameplates (with cabside and smokebox numbers, if appropriate) are all £7.70. Stainless nameplates (where available) are £8.50. Great Western cabside numbers (again with smokebox numbers if appropriate) are £6.50. Stainless steel smokebox numbers are £3.70 and shed code plates are £2.75 each.

During the initial stage we are unable to take commissions.

**Please email if possible before ordering to confirm items are instock.**

**Internet banking payments are preferred, but cheques are also accepted.**

**Please send cheques made payable to 'Simon Thomas' to:**

69 Windsor Street, Bletchley, Bucks MK2 2LN.

Postage on all orders is £2.00.

Please note that this is strictly a mail order service. No personal callers.

Do not fill in the amount on your cheque, but endorse the foot of the cheque with 'not to exceed £(amount)'. In this way we can quickly supply your order, even if one item is temporarily out of stock and on back order. In order to keep costs down to a minimum and prices low, we unfortunately cannot accept credit card payments.

Clearly indicate which items you wish to purchase, including our order reference numbers and the address to which they should be sent. We cannot send your goods if we have no delivery address! You may print the relevant page from our web catalogue (or part of it) and highlight items if this is easier. In case there should be a need for us to get in contact with you, a daytime telephone number and email address would be appreciated.
