Etched smokebox numbers

Jackson Evans is *the name* for locomotive detailing and renumbering and we are pleased to have recently taken over production and supply of their range of smokebox numberplates for both LMS and BR eras. These items are essential for locomotive modellers in 4mm scale and offer a degree of clarity not matched by ready-to-run manufacturers' transfers or adhesive labels.

Ordering information

Postage on all transfer and nameplate orders is £2.00.

For orders including bulky items (such as kits) requiring Royal Mail Special Delivery, costs will be advised at point of order.

For those with access to internet banking, please email with your requirements, including stock codes (if applicable) and a brief description of what is wanted. We will issue a pro-forma invoice by return. This our preferred method as it minimises bank charges for us and provides quickest turn around for you.

For those without access to internet banking, please write to *Old Time Workshop, 69 Windsor Street, Bletchley, Bucks MK2 2LN*, clearly requesting which items you wish to purchase, including our order reference numbers and the address to which they should be sent. We cannot send your goods if we have no delivery address! You may print the relevant page from our web catalogue (or part of it) and highlight items if this is easier. Please enclose a cheque partially completed, made out to 'Old Time Workshop'. Do not fill in the amount on your cheque, but endorse the foot of the cheque with 'not to exceed £(amount)'. In this way we can quickly supply your order, even if an item is temporarily out of stock and on back order. In case there should be a need for us to get in contact with you, a daytime telephone number and email address would be appreciated.

In order to keep costs down to a minimum and keep prices low, we regret that unfortunately cannot accept credit or debit card payments.

Please note that this is strictly a mail order service. No personal callers.
